WARNING

This document contains information affecting the national security of the United States within the meaning of the espionage laws U. S. Code Title 18, Sections 793 and 794. The law prohibits its transmission or the revelation of its contents in any manner to an unauthorized person, as well as its use in any manner prejudicial to the safety or interest of the United States or for the benefit of any foreign government to the detriment of the United States. It is to be seen only by personnel especially indoctrinated and authorized to receive information in the designated control channels. Its security must be maintained in accordance with regulations pertaining to TALENT-KEYHOLE Control System.

NATIONAL PHOTOGRAPHIC INTERPRETATION CENTER

NAME

Dombrovskiy ICBM Complex, Launch Area L

COUNTRY GEO COORDINATES WAC

USSR 51-06N 060-05E 0236

25X1A

25X1D

Location: Approximately 10.0 nm NE of the complex support facility

Type: IIIC

Negation Date:

25X1D

Stage of Construction: Early

Date First Seen:

The launch area consists of a launch site and a site support facility. The single-fenced launch site contains a square silo excavation with 2 earthen access cuts, and 4 small probable buildings. The site support facility, located approximately 2,700 feet SE of the launch site, contains 2 large and 4 small probable buildings.
